LETTER: RECORD OF INTERVIEW

The Honorable Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants attorney expresses appreciation for courtesy extended by Examiner Brian J. Detwiler in a telephone interview on 5 May 2004, initiated by Applicants to discuss the Advisory Action dated 23 Apr 2004.

While no agreement was reached with respect to the allowance of the claims in the case, Applicants were advised that an aspect of the invention relating to dynamically generating and serving of images, as distinguished from documents, had not been considered previously by the Examiner. Consequently, Applicants have determined that the filing of a second RCE to further prosecution is appropriate.

With the entry of the Amendment filed on or about 1 Apr 2004, the Application is believed to be in condition for allowance and such action by the Examiner is urged. Should differences remain, however, which do not place one or more of the remaining claims in condition for allowance, the Examiner is requested to phone the undersigned at the number provided below for the purpose of providing constructive assistance and suggestions in accordance with M.P.E.P. Sections 707.02(j) and 707.03 in order that allowable claims can be presented, thereby placing the Application in condition for allowance without further proceedings being necessary.

Sincerely,

J. Estrada, et al.
